Professional Experience

Lethal Means Prevention Intern

May 2026 – July 2026

Gwinnett United in Drug Education (GUIDE), Inc.,

Lawrenceville, GA; Waleska, GA

- Conducted research and took certification-based trainings related to Reducing Access to Lethal Means (among youths and adults) and on other topics. Findings were presented to the community (i.e., coalition boards, parents, and businesses).
- Project included creating a booklet (with related resources) along with a presentation based on the steps and findings regarding Reducing Access to Lethal Means among youths and adults. The main topics included firearm, suffocation, and poisoning safety.
- Utilized the Canva visual workspace platform to develop a website (<https://gwinnettandsurroundingareaschri.my.canva.site/>), with help from organizations in Gwinnett and surrounding areas, to provide resources related to harm reduction, mental health services, advocacy, and other categories to community members.
- Created a comic based on resources from the Georgia Department of Behavioral Health and Developmental Disabilities that dispels myths regarding suicide and harms from firearms, as well as underscores the importance of checking in.

Executive Assistant

August 2020 - Present

No affiliations (one on one),

Lawrenceville, GA; Grayson GA; Atlanta GA

- Work part-time, 7 – 8 hours a week to maintain a structured archiving system of digital and paper records.
- Preserve the confidentiality of assigned employer, frequently handling sensitive data.
- Carry out research and present results to the employer, including managing inquiries and requests proficiently.
- Oversee daily and weekly agenda of employer, while arranging appointments, events, and meetings.
- Serve as the liaison between assigned employer and clients.
- Compose and manage correspondence on behalf of the employer.

Peer Tutor

November 2018 – March 2025

**Grayson High School; Georgia University Institutions,
Loganville, GA; Grayson GA; Lawrenceville, GA**

- Worked part-time, 2 – 3 hours a week delivering personalized tutoring across diverse subjects including Spanish, Mathematics (Algebra and precalculus), Biology, Inorganic Chemistry, Epidemiology, and Anatomy & Physiology adapting instruction to varied learning styles and academic levels.
- Guided students through research processes by identifying credible academic sources, assisting with literature reviews, and supporting citation management.
- Organized practice quizzes for test, mid-terms, and finals for specific subjects required by the student or peer.

Community Engagement

Community Health Fair at GGC & Lawrenceville Store Plaza

April 2024

- Made schedules and budgets using Gantt charts and Excel software for the health fair, and contributed to setting up the event during that period.
- Planned and organized an event featuring discussions on various health conditions, presented by several students based on their studies and strengths.
- Developed flyers for each condition presented, along with small incentives such as Rubik's cube, sanitizer, cups, and other items.
- Communicated with professors about their role in encouraging students to attend the health fair.

Community Service Activities, Morehouse School of Medicine (MSM), Atlanta, GA

MSM Community Engagement Day

October 2025

- Directed guests to the appropriate booth or organization, whether to give blood or discover the benefits of AI pertaining to a specific community.
- Helped translate materials and forms for elderly individuals seeking services during the engagement day.
- Assisted with cleaning up the event space at the end, including breaking down boxes and transferring equipment.

Community Service Activities, Volunteer Gwinnett, Grayson, GA; Lawrenceville, GA; Loganville, GA

Volunteer, Gwinnett Great Day of Service Workday

October 2025

- Cleared out invasive privet plants and other overgrown vegetation along the trail edges beneath the baseball fields at Bay Creek Park.
- Assisted with preparing park areas for upcoming spring planting.

Volunteer, Hispanic Latino Heritage Night Celebration (GJAJ)

October 2025

- Supported check-in by welcoming guests, distributing tickets and program, arranging volunteer shirts, and addressing concerns.

- Assisted food vendors by managing lines, collecting tickets, and maintaining clear walkways for safety and accessibility.
- Periodically checked in with vendors to ensure they had essentials such as water, chairs, food, or supplies.
- Helped with post-event cleanup, including assisting vendors with packing up after 8:30p.m.

Great Days of Service: Prevention Materials GUIDE, Inc.

October 2024

- Assisted with assembling printed prevention materials into clear plastic bags, which were later distributed at several community events. This helped raise awareness about substance use, underage drinking, and suicide prevention.

Community Service Activities, Georgia Gwinnett College, Lawrenceville, GA

Arbor Day Volunteer

April 2025

- Developed materials (posters, stickers, recipes, and handouts) that were instrumental in informing college students regarding the health and environmental benefits of a plant-based diet as well as some concerns with specific nutrients.

Super Saturday S3

April 2024

- Assisted middle school students with understanding nutrition facts and how to take a radial pulse.

Choices For Life BIA Assessments, Lawrenceville GA

March 2024

- Participated in measuring the body composition, muscle mass, and metabolic age of students, providing a valuable guide for promoting healthy living.

GGC (MLK Day), Lawrenceville, GA

January 2024

- Volunteered to create baskets using recycled bags in commemoration of Martin Luther King Jr. with the finished products donated to a local homeless shelter.

Micro Farm, Lawrenceville, GA

May 2023

- Maintained the campus (Georgia Gwinnett College) community farm by mowing the lawn, unraveling vines, raking leaves, and eradicating weeds.

Community Service Activities, Gwinnett Technical College, Lawrenceville, GA

SGA, Lawrenceville, GA

September 2022

- Volunteered and provided solutions to issues (e.g., class registration, increasing volunteer engagement) in college.

Environmental Sanitation, Atlanta, GA

June 2022

- Cleaned the environment (picking litter & recycling) within parks such as Piedmont Park, Bay creek park, etc.

Community Service Activities, Grayson High School, Loganville, GA

Spanish National Honor Society (SNHS), Loganville, GA

April – May 2020

- Tutored and assisted students with Spanish homework and assignments.

- Adekunle, D., Atalov, S., Chen, X., Lizardo, H., & Pardo-Rodriguez, J. (2025, April). Effects of Stress and Nicotine on Nutrition and Chronic Diseases of Individuals Ages 18 – 25 Years. Health Science Awards Ceremony Conference, Lawrenceville, GA.
- Kasumovic, L., Uwizeye, G., Fon, K., Mittal, S., Tulei, S., & Adekunle, D. (2024, November). HSPH 4040 Public Health Program Planning: Stress Less, Thrive More. Capstone Senior Conference, Lawrenceville, GA.
- Gutierrez, E., Flamenco, K., Taylor, S., Estrella, C., & Adekunle, D. (2023, December). Navigating the World of Obesity. Health Equity Final Presentations Conference, Lawrenceville, GA.

Research Experience

- Balance & Breath - Undergraduate **January 2025 - May 2025**
Co-Leader Research Assistant
 - Collected and reviewed secondary data on the relationship between psychosocial factors and substance abuse, early-onset substance uses and health implications, and the impact of tobacco on chronic diseases and mental health. Databases such as CINAHL Complete, MEDLINE Complete, and the Public Health Database (ProQuest) were used to support this research.
 - Conducted and presented a systematic review exploring the impacts of stress and nicotine products on nutrition and chronic diseases in individuals aged 18 – 25, along with smoking or vaping prevalence.
 - Results showed that the consumption of nicotine and vaping products, including exposure to secondhand smoking, impacts nutrition – leading to deficiencies and the development of chronic illnesses.
